

Sussex Grand Prix

The club is part of the Sussex Grand Prix series of races. In the recent past we have been overall winners in four seasons. Members of all ages and ability enthusiastically take part and these events form a major part of the club's activities.

You will find further details and the current year's race calendar on the SGP website found [@Sussex Grand Prix](#)

These SGP races which run usually between March and November each year, are all located within Sussex and organised by the clubs themselves. Wadhurst Runners Club arranges a 15 mile race at Bewl Water, known as the Bewl 15, and usually takes place on the first Sunday in July each year. The distances vary between 5k and 20 miles.

Points are awarded according to the runner's finishing position, 1st place earns 500 points, 2nd place 499, and so on. The scoring is separate for males and females.

Individual's points totals are obtained from a runner's best 6 scoring races at any distance (e.g. 5 miles, 10 miles, 20 miles, etc).

Team scores are calculated on a race-by-race basis according to finishing positions of each team's runners.

Members need to wear a club vest, which is available directly from the club.

The club's representative on the SGP Committee is Giles Clark, and the SGP Committee Secretary is Albert Kemp."
